

BLACK JACK TRAIL

a Backpacking Training Experience

BJT turned 50 in 2019 & still goin' strong!

Oct. 29 & 30, 2022 at QSR

This is a council event it follows under the NCAP. You will need the Corona 19 waiver, and you will need the BSA update Health Medical forms, A & B, both for each participant. If you don't have them, you/your Unit will not be allowed to participate in this event. You will need to provide your own two deep leadership with current YPT.

Sat., Oct. 29, beginning 9:00 a.m. to Sun., Oct. 30, mid-afternoon Quivira Scout Ranch (watch for the BJT sign)

All Troop, Crew, & Ship adult leaders and Troop, Crew, & Ship officers in teams of two (example: Scoutmaster & Assistant Senior Patrol Leader as a camping team). Any team of Scouts as long as there is an equal number of an adult team. A minimum of two teams is required for a Unit to participate to fulfill Youth Protection Requirements (two-deep leadership). Adult leaders will tent together; Scouts will tent together.

Everyone should be prepared for a complete pack layout / shakedown.

\$5 per person, which includes patch and materials for history of the land and Leave No Trace. Registrations are payable online

This is a basic backpack experience to show Unit leadership different places and ways to use QSR as a Unit program.

Black Jack Trail is an experience where the history of Quivira Scout Ranch is delved into and some backpacking is done into the heart of The Ranch leaving all big, fancy equipment behind. This is as opportunity for your Unit to go out with a minimum of equipment, have maximum fun, and use The Ranch to its fullest. There are endless program opportunities on our own Council Camp, and we urge every Unit to take advantage of them.
