

Murray Gill Lake

Quivira Scout Ranch is not just for summer and not just for Scouts!

Quivira Scout Ranch is nestled in the Chautauqua Flint Hills of Southeast Kansas, just 90 minutes southeast of Wichita, Kansas. This majestic camp property that is both, beautiful and adventurous, hosts 3,000 acres of wooded, rugged, and sprawling prairie land. The property boasts unique characteristics of sandstone cliffs.

It is perfect for camping, hiking, fishing or just enjoying solitude of the outdoor experiences.

Come and fish on the private 400-acre Murray Gill Lake. It has been listed as one of the premiere lakes in the state! It is also the largest of the BSA Council owned lakes in the United States.

QUIVIRA COUNCIL

Promoting the Potential of Tomorrow's Leaders

Since 1918, the Quivira Council Boy Scouts of America has helped children discover their passions, skills, and gain the confidence to become the best versions of themselves. Through fun outdoor experiences and leadership opportunities, young people learn the importance of respectful relationships, family values, and engaged citizenship in society. Your partnership will ensure the future of the Scouting movement in Quivira Council and the cultivation of tomorrow's leaders across its thirty counties with a portion to be designated for lake and camp property maintenance.

Fishing enthusiasts of Murray Gill Lake at Quivira Scout Ranch, pursue bass, catfish, walleye, crappie, and Flathead, with notable success.

While the lake is designed for Scouting use, a limited number of donor fishing permits are available to purchase. The Investment in Character program supports the operations of the Quivira Council, serving more than 4,000 young people in 30 counties in Southern and Southeast Kansas. The Donor Fishing permit at QSR, is good for the calendar year January through December.

We appreciate your ongoing support of Investment in Character and your donation to this campaign will support many projects at the Quivira Scout Ranch and the use of Murray Gill Lake.
