Youth of Today, Leaders of Tomorrow

Character is what we grow in Scouting! Using the Scout Oath and Scout Law, engaging boys and girls in weekly, fun-with-a-purpose meetings, and taking to the outdoors, youth in Scouting develop their mental and moral qualities while having fun with friends!

As a parent, you want to make sure that the activities you choose can not only fill that emotional gap but also help your child to grow up to be a self-reliant, dependable and caring individual. But does Scouting really improve a kid's character? According to research conducted at Tufts University in 2015, the answer is YES!

The research studied 4,000 kids, some who are in Scouting and some who are not. The findings show that Scouting enables kids to make solid growth in a number of key areas while also fostering positive relationships, promoting the development of life skills, and offering opportunities for leadership.

Key Findings

The more time kids spend in Scouting, the better the outcomes in character development.

Those who attend meetings regularly report higher outcomes virtually across the board when compared to Scouts with lower attendance.

Scouts who are more engaged in the program report higher outcomes in nearly every category.

These are skills and opportunities that we need now more than ever.
Recruitment: At a Glance

For the 2023 Fall Retention and Recruitment Campaign we are focusing on three primary objectives:

1. **Recruit New Members**
   - This packet will cover many ways to recruit, including social media, targeted Facebook/Instagram ads, Scout invitations, BeAScout pins, youth talks, and school open houses.

2. **Retain Current Membership**
   - Scouting is a year round program that constantly provides new opportunities for friendship and growth. Scouts and parents that are engaged and taking on leadership and planning responsibilities will keep coming back.

3. **Reengage Dropped Members**
   - Many units have members who may not be currently attending, so your sign-up night or community event could help get them back in the group. Take the opportunity to share upcoming unit plans.

### Marketing Plan

Look at this list and select as many methods to share your pack with the community that your unit can support.

Sign-Up Night: Procedure

Instead of having a Sign-Up event with stations that ends up taking an hour for families, the goal for this year is to have families get in and out (around 20-30 minutes total). Families don’t come for a lecture, they come to sign-up! Here are some steps that can help make that happen.

**ACTIVITIES FOR EARLY VISITORS**

Just like a pack meeting, some families will arrive early. For some examples of activities, go here -

(10-15 minutes)

**FUN ACTIVITY FOR THE WHOLE GROUP**

Give them a preview of what Scouting is by doing an activity to get everyone involved, such as the silly repeat-after-me song "Bear Hunt.”

Here are the lyrics: tinyurl.com/yrr5wjha.

Here’s a video of the song -

(5-10 minutes)

**PASSIONATE SPEECH**

This is a speech by either a leader in the pack or a guest speaker (recent Eagle or business leader who was in Scouts). The activities are an appeal to the kids, but this part is an appeal to the parents. You have a few options you can go with.

(5-10 minutes)

Sample Speeches

- Race to Cub Scouts
- Why Join? A Parents Perspective
- The Ruler Talk
Sign-Up Night: Procedure - Continued

FAMILIES SIGN UP

The main focus of this section, and the critical part of the whole night, is filling out the youth applications online. If you have enough volunteers for this event, the Troop (or other volunteers) can organize a game.

(10-15 minutes)

PLEASE NOTE!

The goal is not to overload them with paperwork or information. Family Talent Survey and 100 Points Volunteer papers can wait for New Parent/Leader Orientation. Also, going over popcorn, fundraising, and details for the next campout can wait. The key is to get them to the next Den/Pack meeting and go from there.

THE YARDSTICK

Look at this yardstick as your child’s life. An inch = 2 years

3 Inches (6 Years) Your kindergarten aged child is excited about school

5.5 Inches (11 Years) Your child is making a big transition to middle school

9 Inches (18 Years) Your child is now graduating and is planning for the future

11 Inches (22 Years) Your child is graduating college and has plans for career and family

Let’s focus on the 2.5 inches between 6 and 11 years old. These 5 years are a critical time in your child’s development. Many decision-making skills, ethics, and morals will be established and reinforced during this time. These five years are the time of Cub Scouts (Lion through Webelos).
Registration Fees

Effective August 1, 2023, the cost to join Scouting includes a one-time joining fee of $25 and an annual fee of $80. For only $15 for the year, Cub Scouts may subscribe to Scout Life magazine. All NEW youth and adult members will be enrolled in a 12 month membership cycle (not prorated).

- $80 for Cub Scouts, Scouts BSA, Venturing and Sea Scouts participants
- $45 for Exploring participants
- $60 for all adult volunteers (includes cost of background check)
- $100 for a unit charter/affiliation fee
- $25 one-time joining fee for new program participants in Cub Scouts, Scouts BSA, Venturing and Sea Scouts (Not prorated)
- $15 for Scout Life magazine
- $80 Quivira Council Program Fee to be assessed in 2024 with existing members’ recharter and new members’ annual renewal.

Moving forward, ALL members will renew on their anniversary date. Existing members’ anniversary date will be their unit recharter month.

We REFUSE to let a child miss out for financial reasons! Scan the QR code to the right to see what options are available to you!

Sign-Up Night: What Not To Do

1. "Take the application home and think about it." Instead, consider, "We’d prefer if you registered tonight so we can confirm our den assignments and contact info." Also, “As a registered Scout your child is covered by insurance and is set to add advancements as they are earned.”

2. Don’t decide registration fees at the last minute. This makes your Unit look disorganized. Parents need to know their financial responsibilities upfront.

3. Information Overload. It is easy to overload families with forms, policies, and information. Have them scan the QR code to apply online and give them a calendar/unit contact sheet on the Joining Night. Save the rest for your Parent Orientation meeting (trainings, adult registrations, BALOO, YPT, youth protection, etc.)

4. Don’t skip the presentation and just talking one-on-one as everyone comes through the door. Save your breath and make sure everyone gets the same information! You can take individual questions afterward.

5. Don’t assume people know where they are going. They don’t. Always advertise the address of your location and put signs up to direct people to the correct room.

6. Don’t hold your joining night in conjunction with a regular Pack meeting. Although it's easier to schedule, you cannot commit the time you need to welcome returning families and inform new parents about Scouting.

FAQ

May parents attend meetings?
Yes! Lions and Tiger Cubs are required to have a parent/guardian with them.

What if I don’t know much about the outdoors? Scouting provides training for leaders of all skill levels.

We’re very busy; how would we have time? We understand—we are all extremely busy doing whatever it takes to give our children the best childhood experiences possible. You will not have to carry any Scouting responsibilities alone. Other leaders and parents will lend a hand.

GIRLS IN SCOUTING

The values of Scouting—encapsulated in the Scout Oath and Law—are vital for young men and women.

A Scouting program for the whole family helps families maximize their time and provides one great Scouting experience in one place.

Girls in Cub Scouts can, just like the boys, advance all the way to the highest rank of Eagle in Scouts BSA.
How it Works

Today’s parents can do it all online. They want and expect to learn more about the BSA through a simple-to-use, nicely designed website. BeAScout.org is that website. It is the first thing many prospective Scouting families see about the BSA. It tells them what Scouting is, why it’s a good fit for their family, and where they can find a unit near them. Their search results show up as pins, each representing a Pack, Troop, Crew, or Ship nearby.

How it’s Useful

Suppose your Unit is represented by one of those pins. In that case, you want that prospective Scout parent to have a direct line of communication with you. That way, you can tell them all about how fantastic Pack 123 is or what makes Troop 456 so great.

How to Update Your Pin

Updating your BeAScout.org pin is simple, and it’s a good way to make sure your information is current—that it does not list last year’s Cubmaster or meeting time, for example. Access to update your pin is available to all unit leaders, including committee members in a unit.

2. From the Menu, select your Organization, then click on Organization Manager.
3. From the left bar, select “Unit Pin.” Update the unit information section.
4. Be sure to check Appear on BeAScout and Allow People to Apply Online.
5. Update your unit meeting address if it is not your Chartered Organization address.
6. Note that it may take a few hours, or up to overnight, for the updated information to show up.
Resources: Social Media

USING SOCIAL MEDIA AS A RECRUITMENT TOOL

Today's generation of families increasingly uses social media. These sites and apps can also provide Scouting with additional tools in our on-going recruiting efforts.

SOCIAL MEDIA RESOURCES YOUR UNIT SHOULD CONSIDER USING

1. Unit Facebook Page – set up a Unit Facebook page that highlights all of the fun activities and events that your Scouts participate in. Include how to join and whom to contact for additional information. Encourage your Scouts and their families to "Like" your Unit's Facebook page and to "Share" it with their friends. Add your unit activities as Facebook Events.

2. E-mail Blasts – ask your Unit Leaders and Scouting families to send out a personal invitation to everyone in their e-mail address book about your Scouting Unit. Invite them to visit your Unit Website and Facebook page. More importantly, to come to see your Unit in action at an upcoming event.

3. Group Messaging Apps - several are being used by Scout units. These apps allow users to be added and removed from groups easily. It is a great forum to share reminders about upcoming Pack or Den activities. Create one for the Pack with limited posting (Cubmaster, Committee Chair, Treasurer) and another for the Dens (leaders and parents post). GroupMe, TeamReach, Slack.

4. Facebook ad — Facebook/Instagram Ads can target an audience based on age, interests, hobbies, career, and whether they have kids along with their age ranges. A boosted FB post with a picture, or short video can then show up on their feed. Scan the QR code for information about geofencing and how it can boost your ad responses!

WARNING ABOUT THE USE OF SOCIAL MEDIA

Please note that while social media and electronic communications are great resources, some safety precautions must be taken to ensure they are not misused and do not put our youth and adult members at risk. The Quivira Council does not encourage any minor to utilize social media without their parent or guardian's direct knowledge and oversight. Additionally, Unit leadership should approve messages sent out by youth that promotes the Scouting program so that photos and language are Scouting appropriate. Finally, Units should use their discretion and follow their Unit policy concerning electronic devices during activities.
