

BOY SCOUTS OF AMERICA® QUIVIRA COUNCIL

To express our appreciation for the dedication and hard work it requires to guide our youth through their Scouting journey, we are offering a \$30 discount off the registration costs for first year Den Leaders. This gesture serves to express our gratitude for your commitment to fostering leadership, character development, and community engagement within our Scouting program.

I, _____, agree by accepting this financial assistance that I am accepting all of the responsibilities of being a Den Leader for one year. I agree to complete Den Leader training, help the youth of my Den to grow, and be as expected of me in this leadership position.
