Cub Scouts - Ages 5-10

Cub Scouting is a year-round program uniquely designed to meet the needs of young children and their parents. The program offers fun and challenging activities that promote character development and physical fitness.

Venturing - Ages 14-20 (or 13 and completed 8th Grade)

The purpose of Venturing is to provide experiences that will help young people mature and become responsible and caring adults. Young people in Venturing learn leadership skills and participate in challenging activities.

Scouts BSA - Ages 11-17

Scouting is an outdoor program designed to develop character, citizenship and fitness. With the Scout Oath and Law as a guide, Scouting helps young people develop into well-rounded adults. Earning Merit Badges provides opportunities for Scouts to discover a lifelong hobby or rewarding career.

Exploring - Ages 15-20 (or 14 and completed 8th Grade)

Exploring units, called posts, focus on a single career field, such as law enforcement, fire/rescue, medical or band and are sponsored by a local government or business entity.

Sea Scouts - Ages 13-21

Sea Scouts are a part of the Scout movement, with a particular emphasis on boating and other water-based activities on the sea, rivers or lakes (canoeing, rafting, scuba, sailboarding). Sea Scouts can provide a chance to sail, cruise on boats, learn navigation, learn how to work on engines and compete in regattas.

Order of the Arrow

As Scouting's National Honor Society, the purpose of the Order of the Arrow is to recognize those who best exemplify the Scout Oath and Law in their daily lives. That recognition inspires others to conduct themselves in a way that warrants similar recognition, promotes camping, responsible outdoor adventures and environmental stewardship.

The next few years promise to be some of the most exciting in the nearly 115 years of Scouting in America. As our movement emerges from reorganization, we look to a future of revitalization and growth that will enable us to more fully realize our vision to prepare every eligible youth to become responsible, participating citizens and leaders who are guided by the Scout Oath and Law. We have begun to blaze that trail by expanding Scouting in our state and to all of the youth, both in Quivira Council and beyond to SCOUTING AMERICA!

If we are to succeed in realizing this lofty goal, it will be because of the efforts of our volunteers - including you - to make a difference in the lives of our youth by engaging with your unit, district, and council. I invite you to guide your unit to engage in the many exciting district and council activities featured in this Resource Guide, from Summer Camp at Q to Trappers Rendezvous, Webelos Woods, and more. I invite you to fuel Scouting in your area by partaking in the excellent training opportunities available throughout our council, from District Roundtables to IOLS and BALOO, NYLT, Wood Badge, and others. I invite you to contribute your time, talent, and treasure to strengthen the resources that support you and ensure that Scouting continues in our council for the future, from volunteering for district and council activities to fundraising through popcorn and camp card sales, participating in Council Operations Meetings, working at our Beaver Days, and more. Together, we can grow Scouting Quivira and Scouting America!

Mission Statement

The mission of Scouts, BSA is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

Vision Statement

Scouts, BSA will prepare every eligible youth in America to become a responsible, participating citizen and leader who is guided by the Scout Oath and Law.

Why Scouting?

For nearly 115 years, Scouting programs have instilled in youth the values found in the Scout Oath and Scout Law. Today, these values are just as relevant in helping youth grow to their full potential as they were in 1910. Scouting helps youth develop academic skills, self-confidence, ethics, leadership skills, and citizenship skills that influence their adult lives.

The Boy Scouts of America provides youth with programs and activities that allow them to

- Try new things.
- Provide service to others.
- Build self-confidence.
- Reinforce ethical standards.

While various activities and youth groups teach basic skills and promote teamwork, Scouting goes beyond that and encourages youth to achieve a deeper appreciation for service to others in their community.

Scouting provides youth with a sense that they are important as individuals. It is communicated to them that those in the Scouting family care about what happens to them, regardless of whether a game is won or lost.

Finally, and perhaps most importantly, Scouting promotes activities that lead to personal responsibility and high self-esteem. As a result, when hard decisions have to be made, peer pressure can be resisted and the right choices can be made.

Quivira Scout Ranch

1781 Road 19 • Sedan, KS 67361

Quivira Scout Ranch is home to Lake Murray Gill, the largest Scout lake in the country and the best waterfront program in the region! From sailing to swimming, canoeing to water skiing and jet skiing, QSR has it.

Quivira Scout Ranch is available for special outings or events throughout the year. Church groups, youth organizations, school groups and Scouting units can rent the facilities for a day event, weekend sleep-over or a week-long event.

Rich in tradition, this rugged land had provided homesteads, farms and ranches for many pioneers. Now you'll find Scouts from seven or more states exploring, learning, canoeing, backpacking, shooting, swimming and more in the different seasons of the year.

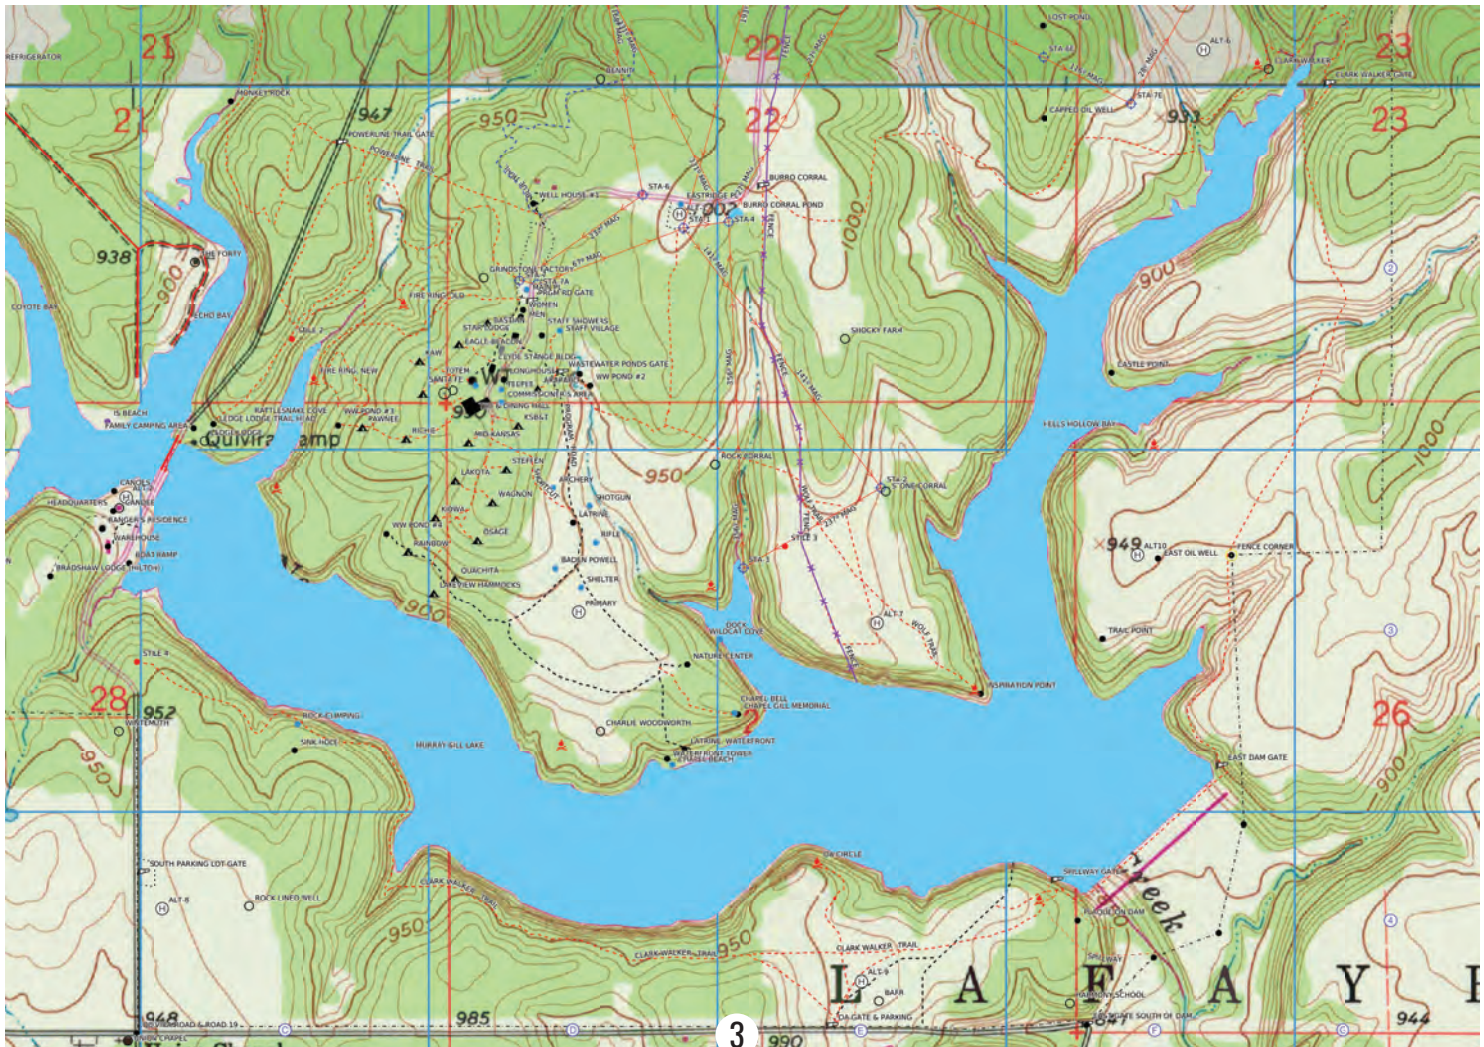

To reserve QSR please go here -

QSR is located in a multi-state area known as Black Jack Territory. Characteristics of this land are its rocky cliffs, rolling hills and dense covering of black jack oak trees. Early cattle drives ran through the territory and the route was named the Black Jack Trail.

QSR's approximate 3,000 acres holds an outdoor adventure area in the Black Jack backcountry. With different trails and destinations to seek, many years of backpack camping are ahead of your unit.

Cub Scout Program Updates

Exciting News for Cub Scouts in 2024-25! Get ready for some fantastic updates as we enhance the Cub Scout program. This coming year will positively change the Bobcat badge, Cub Scout Adventures, Webelos, and Cub Scout Awards. From a revamped Bobcat Adventure to improved Cub Scout Adventures and a reimagined approach to Webelos and Arrow of Light, these changes are designed to make the program even more engaging and age-appropriate for youth and more accessible and streamlined for adult leaders.

Some highlights include:

- All Cub Scouts Awards will be reimagined and included as Cub Scout Adventures. Topics like camping, STEM, and range and target sports will remain and are reimagined into elective Adventures that can be used towards earning a badge of rank.
- Cub Scout Adventures have also been aligned across grade levels to make it easier to deliver the program to multi-grade dens or as a Pack.
- Each Cub Scout rank will require a Cub Scout to earn the six required Adventures and two elective Adventures. Required Adventures reflect the aims and focus areas of the BSA. The number of elective Adventures increases.
- Bobcat will no longer be a badge earned at joining. It will become a required Adventure for each rank and will be completed yearly. The requirements for the Bobcat Adventure are different for each grade to make them age-appropriate.
- Webelos and Arrow of Light will be separated. Webelos becomes the 4th-grade program in Cub Scouting. Webelos dens for 5th graders are now Arrow of Light dens focused on skills that prepare Cub Scouts to join Scouts BSA.

The changes will take effect officially on June 1, 2024.

Cerified Angling Instructor Weekend

This is a BSA National certification for registered adult leaders and youth 16 years old, to instruct and promote the BSA Fishing Program through BSA activities. Participants will learn how to conduct fishing education classes at the Cub, BSA, and Venturing levels as well as how to conduct fishing events for BSA events as well as for recruiting/civic activities. Participants will complete their training and then be expected to participate in delivery of material and hands on application, through working as a group to conduct a fishing merit badge course on Saturday and Sunday for Scouts.

Those that complete the course will also have met the requirement to Certified Angling Instructors for the State of Kansas. These concepts are provided by our training team through presentations, games, discussions, activities, and hands-on methods. Be advised, we have a lot of Fun!!!

Fishing is an important event that promotes the values of Scouting, while being an engaging sport that ALL Scouters can be involved in. Fishing is often an overlooked resource for recruiting and engaging youth in a community. Properly trained Adults can help maximize a Unit's activities through providing EXCELLENT events that help with retention and improve the quality of Unit events.

What is...

Basic Adult Leader Outdoor Orientation (BALOO)

BALOO is a training course for Cub Scout leaders who want to take their Cub Scouts on overnight camping trips. It is an introduction to outdoor camping skills as well as important BSA rules and policies to be followed on any Cub Scout campout. The training is a two part training. The first part is available online at my.scouting.org. The second part is an instructor-led course that is conducted at the Council level. This one and one-half day in person course is designed as an introduction to the Cub Scout outdoor program for those leaders (Cubmasters, Ass't. Cubmasters, Den leaders, other pack leaders, and parents) who are interested in adding a camping component to their Pack activities. BSA's Cub Scout level camping policies will be taught along with the necessary tools to help units carry out a successful camping experience. Both parts must be completed to get credit for this training.

What is...

Awareness Camp

Awareness Camp is our annual camp experience for underserved communities. For many of the campers this is their first exposure to fishing, bb guns, and fun Scout camp activities. Awareness Camp ends every year with a big surprise!

Beaver Days

In the summer of 2023, James Goff had an idea of getting a group of volunteer's together to help Ranger Paul with projects at Quivira Scout Ranch. Since getting approval in the fall of '23, we have preformed well over a 1000 hours of volunteer service for the Ranger and you, the owners QSR.

Beaver Day weekend's are a great opportunity for service, fellowship, and outdoor fun! For weekends in April, May, and August, Scouts are able to come out to QSR and help with projects which visibly improve the properties safety, functionality, and aesthetic appeal. Scouts and scouters are welcome to come out for the day or camp out over the weekend free of charge.

NATIONAL YOUTH LEADERSHIP TRAINING (NYLT)

National Youth Leadership Training (NYLT) is an exciting and powerful program designed to provide members of Troops, Crews, & Ships (ages 13 and over) with leadership skills and experience they can use to lead themselves and others. This six-day-long outdoor experience represents a month in the model life of a typical Scout unit.

The six days are split between two weekends at Camp Durant. This course is designed to complement leadership training at the unit level and is a follow on to Introduction to Leadership Skills for Troops.

The NYLT course centers on the concepts of what a leader must **BE, KNOW, and DO.**

The objectives of the course are to:

- Provide a toolbox of leadership skills
- Relate these skills to leading in their unit
- Instill knowledge and confidence to run the unit
- Enhance relationship between the Scout and the unit
- Share ideas and experiences with other Scouts
- Experience Scouting at its best
- Have fun!
