Quivira Council 2025 Fishing Registration

Murray Gil Lake on our Quivira Scout Ranch is a private 475-acre lake nestled in the Chautauqua Hills just 90 minutes southeast of Wichita and is one of the fishing jewels in the state of Kansas. Your dedication through this Donor Fishing Program, Fishing at QSR, benefits our youth to attend Quivira Council Summer Camps. This cornerstone of Scouting helps children discover their passions and hone essential life skills through amazing outdoor experiences, leadership opportunities, engaging in nature and learning the values of citizenship! Thank you for your dedication to this program.
