

# 2026 UNIT PLANNING GUIDE

## Scouts BSA & Venturing Crews

This Guide is a resource for planning a successful summer camp experience. It includes information on the camp facilities, program opportunities, health and safety guidelines, and other important details to consider when preparing for your trip. The guide is designed to assist Scout leaders in creating a fun and safe camping experience for their Scouts and may be updated periodically during the year so be sure to visit <https://scoutingevent.com/198-101442> to access the most current Unit Planning Guide and other updated information. This version is dated 6/21/25.

## SUMMARY OF UPDATES/CHANGES

1st Edition 6/13/25

2<sup>nd</sup> Edition 6/21/25 Updated dates of camp and took out detail about signing up by Friday of camp.

Dear Unit Leaders,

Thank you for considering Quivira Scout Ranch for your unit's summer destination! This Planning Guide will serve as a resource as you plan for your summer camp adventure, starting now and leading all the way up to the day you walk onto camp.

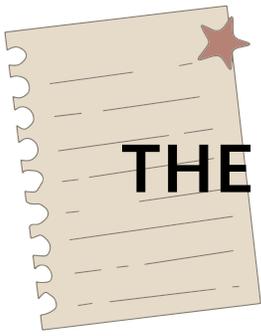

This summer we bring a rich variety of Merit Badges, with opportunities for every Scout to learn something new. A few of our new offerings for 2026 include Moviemaking MB, Oceanography MB, and Fire Safety MB. We've also listened to your requests and are bringing back the Citizenship in the Nation MB and the Citizenship in the World MB. We offer higher level activities and trainings such as Leave No Trace Training, Black Powder Shooting, and Jet Skis. Whatever your Scouts' interest are, we've got something for them here at QSR!

Quivira Scout Ranch sits on 3,000 acres of Kansas prairie, surrounding the 475-acre Murray Gill Lake. Our programs are designed to help Scouts explore the land and the lake, through Merit Badge classes and through a higher adventure track. This summer, we are proud to offer a High Q and Resident Camp Hybrid week. The High Q and Resident Camp week will allow your older Scouts and some leaders to participate in a higher adventure camp, while your younger Scouts can go through a traditional week of Resident Camp. The High Q Track has the following options: FISH Camp, Conquer the Water, and a Backpacking Track. Each of these will have at least one outpost away from main camp. This week will have limited availability for both the High Q portion and the Resident Camp portion, so you won't want to delay in registering for that week!

We are committed to giving your Scouts the very best when they attend our camp. We exist because of you! We are committed to ongoing improvement and welcome your input as we continue to move forward. We hope this Guide can help to answer your planning questions and invite you to reach out as further questions arise.

We look forward to seeing you this summer at Quivira Scout Ranch!

Scoffee, Program Director  
Alex Schmitt, Camp Director

# THE PURPOSE OF THIS GUIDE

This guide is meant to assist your unit, especially the Summer Camp Coordinator, to prepare for QSR Summer Camp. This guide is organized in a chronological order of preparation, to help you know that you are on track.

If you start on page one and follow the steps listed on each page, your unit is guaranteed to be ready for QSR. The “Table of Contents” is designed to also function as a master checklist to ensure you’re prepared.

The goal of incorporating the QSR website in this guide is to help the unit leader easily share its relevant content with all stakeholders (Scouts, Adult Leaders, Parents of Scouts) in your unit.

We welcome any feedback or suggestions you may have to improve this guide. Please contact the Program Executive by email: [askquivira@scouting.org](mailto:askquivira@scouting.org)

## CHAPTER ONE: OFFSEASON PREPARATIONS

### KNOW BEFORE YOU GO!

#### Health Forms

All youth and adults must have completed a long-term health and medical form to turn in upon arrival. Health forms are available on [www.Quivira.org](http://www.Quivira.org). At Camp, our Health Lodge director will collect, review, and store all health forms in our health lodge, until we return them at the end of the week.

#### Medications

The QSR Health Lodge is available for consulting and supporting adult leaders with Scouts medications. Any medications taken at camp must be on the participants Health Form. Urge Scouts to always keep rescue medications on their person. All medications must be kept in a locked container. Parents should discuss any medication concerns with attending adult leaders.

#### Deer and Wood Ticks

Concerns and health problems associated with various ticks have been widely reported throughout much of America, including the areas surrounding camps in Quivira Council. Please visit [www.Quivira.org/dealing-with-ticks](http://www.Quivira.org/dealing-with-ticks) to view the deer and wood tick resource.

#### Severe Weather

Emergency procedures and directions are posted in your campsite. Camp administration monitors weather conditions using information from the National Weather Service. In an emergency, QSR staff will notify your unit when it's time to head to appropriate locations. Generally, QSR will begin heading to shelters 45 minutes prior to the storm arriving.

#### Food Service

QSR offers a dining hall to all participants during Scouting America Traditional Resident Camp. The dining hall will provide USDA nutrition compliant meals. QSR Camp staff attempts to address all food allergies that are identified to them during the registration process. Please review p. 18 for actions to take to ensure your special dietary needs are met. Check out the menu on p. 39.

#### Statement of Nondiscrimination

These camping opportunities are made available through Quivira Council, Scouting America. They meet the standards of the National Council, BSA, and are inspected to assure a high quality, successful camping experience. QSR is committed to a policy that all persons shall have equal access to its facilities, employment, and USDA Child Nutrition Program without regard to race, creed, color, sex, national origin, age, or handicap.

## CHAPTER ONE: OFFSEASON PREPARATIONS

### SPECIALIZED (OAKS & HIGH Q) PROGRAM EXPERIENCES

At QSR, there are specialized programs for a variety of our Scouts and Units.

#### QSR'S OUTDOOR ADVENTURE FOR KINDLING SCOUTS: OAKS PROGRAM

To support your Unit's crossovers, or new Scouts, we offer "OAKS", a 1st year program focused on Scouting fundamentals. Scouts will spend the week dedicated to learning a large portion of the Tenderfoot, Second Class, and First Class Rank Advancements; such as, the patrol method, fire starting, Totem chip, orienteering, event/activity planning, and citizenship.

#### HIGH Q ADVENTURE WEEK

This specialized program is designed for older Scouts looking for a summer program focused on adventure and experience beyond the traditional merit badge focused camp. HIGH Q participants, youth and adult, can participate in one of 3 Crews. Participants shall be a minimum age of 13 years old, are Blue Swimmer qualified, and able to un-swamp a canoe.

These program areas are created not only to earn merit badges, but to offer an in-depth curriculum that will help Scouts build upon their current skills or learn new ones.

HIGH Q Crew programs include:

- F.I.S.H. Camp
- Conquer the Water (Aquatics)

During HIGH Q some crews will enjoy eating in the dining hall and some will cook in camp where they will eat as a crew for a few meals, and some of the treks will be provided ingredients to cook with and are expected to cook their own meals most of the time.

- Most units begin this process right after they complete Annual Planning, usually during the summer.
- Excite your older Scouts to head to Camp
- Use our Web Presence
- Facebook has constant reminders and advertisements for Scouts – check us out on social media as well!
- Word of Mouth
- Some units will have older Scouts share stories during the unit meeting of their older Scout adventures from last summer.

## CHAPTER TWO: COMMITMENTS AND REGISTRATION

### ★ Register Scouts for Programs

March 1, 2026

With a 50% down payment for a Scout, you can log into your reservation to select classes or HIGH Q adventure path for your Scouts. As some program areas and merit badges have limited availability, we want to ensure that all units can register for the activities they want to participate in. To learn more about QSR Traditional Summer Camp programs and register your unit go to [www.quivira.org/summer-camp-2](http://www.quivira.org/summer-camp-2) or use the QR code in Chapter One.

Scouts, and adults, attending HIGH Q can register and participate as individuals or as a Troop/Crew/Ship. Information about HIGH Q and registration is also found at [www.quivira.org/summer-camp-2](http://www.quivira.org/summer-camp-2) or the QR Code.

Remember that for QSR Traditional Summer Camp and HIGH Q, you can secure the Early Bird Fee by placing your deposit before December 15th and once there has been a 50% down payment for a Scout they can then make their selection for a specific adventure program.

### ★ Adult Leader Training

Training for adults will be offered during camp, and registration for the classes will be available on Black Pug just as you register youth for classes. Please check registration for the list of classes offered each week.

### ★ Gather Dietary Restrictions

We are here to help you have an enjoyable camping experience and can provide substitutes or alternative menus for participants with one of the following dietary restrictions:

- Peanuts or nut allergies
- Gluten Allergies
- Lactose intolerance
- Pork restrictions
- Vegetarian

When signing up participants, you will be prompted to select your dietary restrictions from a list. Ensure when signing up participants that their dietary restrictions were properly noted in black pug under the participant's registration. In addition Dietary needs request forms (page 39) must be submitted via email to [D'Kolle.Mowery@scouting.org](mailto:D'Kolle.Mowery@scouting.org) by March 31, 2026.

Parents or unit leaders can reach out via email to [AskQuivira@Scouting.org](mailto:AskQuivira@Scouting.org).

*What if my dietary restrictions are more complicated?*

We are currently not able to provide alternative food for other or multiple restrictions. However, we will store and serve all food that is brought for participants who have additional dietary restrictions. Your fee may be discounted for providing your own food, for dietary restrictions only, upon prior approval from the Program Executive (discounts are not guaranteed and may be less than what you spend on food).

## CHAPTER TWO: COMMITMENTS AND REGISTRATION

### SHARE MERIT BADGE OPPORTUNITIES

QSR offers over 40 different activity and merit badges during summer camp. This includes a focus on aquatic merit badges by offering swimming, lifesaving, canoeing, kayaking, rowboats, waterskiing, personal water craft and other activities; including, Dragon boats, tubing, and our Sea Doo Program. Sea Doo is a brand of personal watercraft commonly referred to as a jet ski. Any reference to jet ski herein refers to our fleet of Sea Doo Rec Lites...come ride!

Nature and Outdoor skills are a focus at QSR and our 3,000-acre ranch allows for a quality program to be immersed into nature, wildlife, fishing, fly fishing, fish and wildlife management, and a robust outdoor skills program area.

For Scouts interested in expanding their experience to include progressive skills, we offer chess, game design, and a slew of technology activities that include utilizing a 3D printer delivered indoors in air-conditioned classrooms.

For the more adventurous there are merit badges and activities for rock climbing, wilderness survival, standup paddle board, and more!

#### HOW DO SCOUTS SIGN UP?

The unit coordinator will enter merit badge choices for Scouts through on-line registration accessible from [www.quivira.org/summer-camp-2](http://www.quivira.org/summer-camp-2) or use the QR code in this guide. Unit coordinator can also send parents a link and code to allow them to register themselves in black pug.

#### WHY ARE THERE AGE REQUIREMENTS?

QSR has limited capacities on merit badge sizes, and we do have recommended ages. These age guidelines help us attempt to ensure that Scouts are the right maturity and size for activities, and while we will not "ID" a Scout, we ask that your unit abide by the age recommendations. HIGH Q minimum age is 13 and more fully described in the HIGH Q section on page 11.

#### WHAT HAPPENS IF PAYMENT ON APRIL 15, 2026, IS MISSED?

On April 16, 2026, any program that was registered for, but the Scout failed to make the payment in full, will be opened for those on the "wish list". The "wish list" will be accommodated based on a first come - first served model, as well as based upon availability. To make sure that your Scouts' program requests are filled, ensure timely payments are made.

The address for QSR is:  
1781 Road 19, Sedan, KS 67361.

We are located about 1 hour 30 minutes from Wichita KS; 3 hours 10 minutes from Kansas City KC; 6 hours from Dallas TX; and 5 hours 30 minutes from Little Rock AR.

#### Food

You will want to arrive at QSR between 1pm and 3pm on Sunday. Your first meal at QSR will be on Sunday evening. Make sure that you plan your route accordingly to allow for rest stops, food breaks, and fuel stops as you are traveling to QSR. While there are many small towns in Kansas along US highways, not all towns have fuel, dining, or rest stops.

Dinner will be served in the dining hall at 6pm on Sunday.

#### Need to come in early?

If you are traveling over 300 miles and would like to request, you have the option to camp overnight on Saturday night. Requests for an early arrival date are due by May 20, 2026 by contacting the Program Executive via email:

## CHAPTER TWO: COMMITMENTS AND REGISTRATION

### DETERMINE UNIT SWIM QUALIFICATION PLANS

All persons participating in BSA Aquatics are classified according to swimming ability. The classification tests and procedures have been developed and structured to demonstrate a skill level consistent with the circumstances in which the individual will be in the water. All participants must re-test annually. The Swimmer's test demonstrates the minimum level of swimming activity for recreational and instructional activity in a confined body of water with a maximum of 12-foot depth and with shallow water footing or a pool or pier edge always within 25 feet of the swimmer.

#### BSA SWIM TEST BEFORE CAMP:

We suggest that you complete Swim Tests before arriving at camp. Swim Tests completed before camp must be done by a certified lifeguard and a copy of the lifeguard's certification must be brought to camp along with the BSA Swim Classification Record. Access the BSA Swim Classification Record and other important forms for Camp at [www.quivira.org/summer-camp-2](http://www.quivira.org/summer-camp-2)

#### BSA SWIM TEST AT QSR:

Swim Tests may also be completed at QSR on Sunday, sign up must be made when you arrive to check-in. Please be punctual on your assigned Swim Test time and in proper swim attire when arriving at the Waterfront.

Swim Tests can be attempted during "open swim time" if a Scout wishes to re-test. If a Scout re-tests and receives a lower swim classification, that will become their new classification.

Here are a few tips that will help your arrival day go smoothly:

- Have your Scouts intentionally pack swimsuit and towel in an easily accessible location.
- As soon as your tents are set up, quickly change into your swimming attire, and pack dry clothes in a bag, then head down to the waterfront for your swim tests.

There are changing rooms at the waterfront to change back into dry clothes before heading back to camp.

Special Notes:

QSR Aquatics staff can ask any participant to re-test at any point.

HIGH Q participants must be Blue Swimmer Qualified and able to un-swamp a canoe.

**PROPER SWIM ATTIRE:** Appropriate attire is required for all activities. BSA's National Aquatics Subcommittee recommends: swimsuits should be comfortable, functional, and appropriate for the specific aquatic activity. For males, swim trunks or board shorts are appropriate. For females, modest one-piece swimsuit/shirt style tankini, or swim trunks over one-piece are appropriate. Inappropriate swimwear includes swim briefs, speedo style briefs, bikinis, or swim trunks short enough to allow exposure.

## CHAPTER TWO: COMMITMENTS AND REGISTRATION

### SHARE THE LIVING WITH WILDLIFE GUIDENCE:

QSR owns approximately 3,000 acres with a private 480-acre lake. The benefit of this is that our wilderness remains very natural.

The Scouts BSA have become experts on sharing the woods with raccoons, deer, squirrels, ticks, bats, coyotes, snakes, and a whole lot more. All these animals and more have been seen around QSR.

To ensure all participants remain safe, do not leave easy access to food and other smellables. This will prevent almost all issues. Being vigilant about teaching your Scouts, particularly the younger youth, how to safely store food and items with a scent such as deodorant, toothpaste, etc. can deter most problems that can occur with wildlife. It is highly recommended that sugary drinks, candy bars, and other trading post snacks/drinks are not allowed in or near tents. No one wants to be surprised by a curious raccoon or field mouse entering their tent to have a snack.

## CHAPTER THREE: THREE WEEKS BEFORE CAMP

The following steps are best done three weeks before heading to camp.

### SHARE WITH PARENTS HOW TO CONTACT QSR

#### BY MAIL:

Mail should be addressed as follows: Name  
Troop Number  
1781 Road 19, Sedan, KS 67361

#### Example:

Johnny Scout  
Quivira Troop 3141  
Quivira Scout Camp  
1781 Road 19, Sedan, KS 67361

\*Make sure that you send mail at least one week in advance, as packages and mail will not be forwarded back from camp if your Scout has already departed camp!

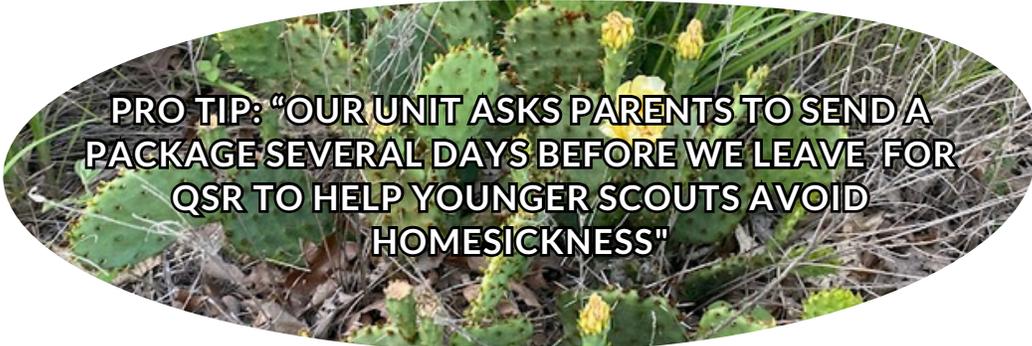

BY PHONE: Camp office 620-725-5242 (during summer camp sessions only)

Emergency phone messages can be received at the number above. Caller should be prepared to leave details such as Scout's name and unit number. Due to camp size and program details, it may take up to several hours for a message to reach the recipient.

Mobile coverage varies by carrier, but in general it is available. We strive for a wilderness atmosphere at camp, and encourage limited usage by adults, and strongly discourage any use by youth.

#### BY EMAIL:

Askquivira@scouting.org is monitored throughout the business day, and messages can be communicated to your unit or Scouts through this email. Due to camp size, it may take up to several hours for a message to reach the recipient. Time sensitive or emergency communications should be conducted by phone as described above.

**PRO TIP: "OUR UNIT ASKS PARENTS TO SEND A PACKAGE SEVERAL DAYS BEFORE WE LEAVE FOR QSR TO HELP YOUNGER SCOUTS AVOID HOMESICKNESS"**

## CHAPTER THREE: THREE WEEKS BEFORE CAMP

### SHARE PACKING LIST WITH PARTICIPANTS

Additional resources are available at [www.quivira.org/camping-resources](http://www.quivira.org/camping-resources). ### ORDER OF THE ARROW INDUCTEE DETAILS

Our Order of the Arrow Call Out Ceremony occurs at closing campfire on Friday night. QSR works directly with the Kansa Lodge Order of the Arrow and will review new inductee details with you at check-in.

Non-Quivira Council Units should bring a list of new inductees that you would like to be called out and deliver it during check-in. Please include the inductee's name, Unit, Lodge, and Chapter.

## CHAPTER THREE: THREE WEEKS BEFORE CAMP

### FINALIZE SCOUTING EVENT INFORMATION

QSR closes online adjustments May 15, 2025. To make changes after this time, please email the Program Executive at [AskQuivira@Scouting.org](mailto:AskQuivira@Scouting.org).

#### Camp Roster

Please take time to review information in your online unit roster and make sure it is accurate. We are continuously checking participant registrations before May 15th to prepare for your arrival and an awesome experience at QSR!

#### Merit Badge Plans

Please take time to review merit badge information and make sure it is accurate. Ensure prerequisites are complete before arriving at camp. Review any other special needs/requirements/supply costs with Scouts.

#### Specialty Program Experiences

Rock Climbing, Waterskiing, and Sea Doo Personal Watercraft participation require that all participants arrive with all prerequisite work (if any, check the website) and specialty items listed (e.g. long pants for climbing). Review requirements with your Scouts to be prepared! **Boating safety certification is required to be completed for Sea Doo PWC. If you arrive without this completed certification, you will be removed from the class and your class participation fee will be credited to the unit.**

### COLLECT PERSONAL WATERCRAFT RELEASE STATEMENTS AND KANSAS BOATING SAFETY CERTIFICATION

#### Who needs these forms?

Scouts participating in activities using Sea Doo Personal Watercraft (PWC) need to have completed a PWC agreement (included in the leader's registration packet) and the Kansas Boating Safety Course certification before a Scout will be allowed to drive a Sea Doo.

***Scouts that do not have these forms will be removed from the class and your participation fee will be credited to the unit.***

#### What do I do with these forms?

Bring all necessary forms to check-in and our Camp Program Director will collect them.

## CHAPTER FOUR: DEPARTING FOR CAMP

The following steps are best done when departing to camp.

Some units will do the following steps early. Feel free to work ahead!

Drive safe!

### SHARE TRAVEL PLANS WITH PARENTS

#### Itinerary

Some Summer Camp Coordinators will communicate their safe arrival with parents via social media or unit websites. This greatly helps parents who are “child-sick” from worrying about their child. The same can also be communicated when they are departing camp.

\*Parents like to see posts or picture updates along the way to see that their Scout is smiling and having fun. This helps everyone to communicate easily. \*

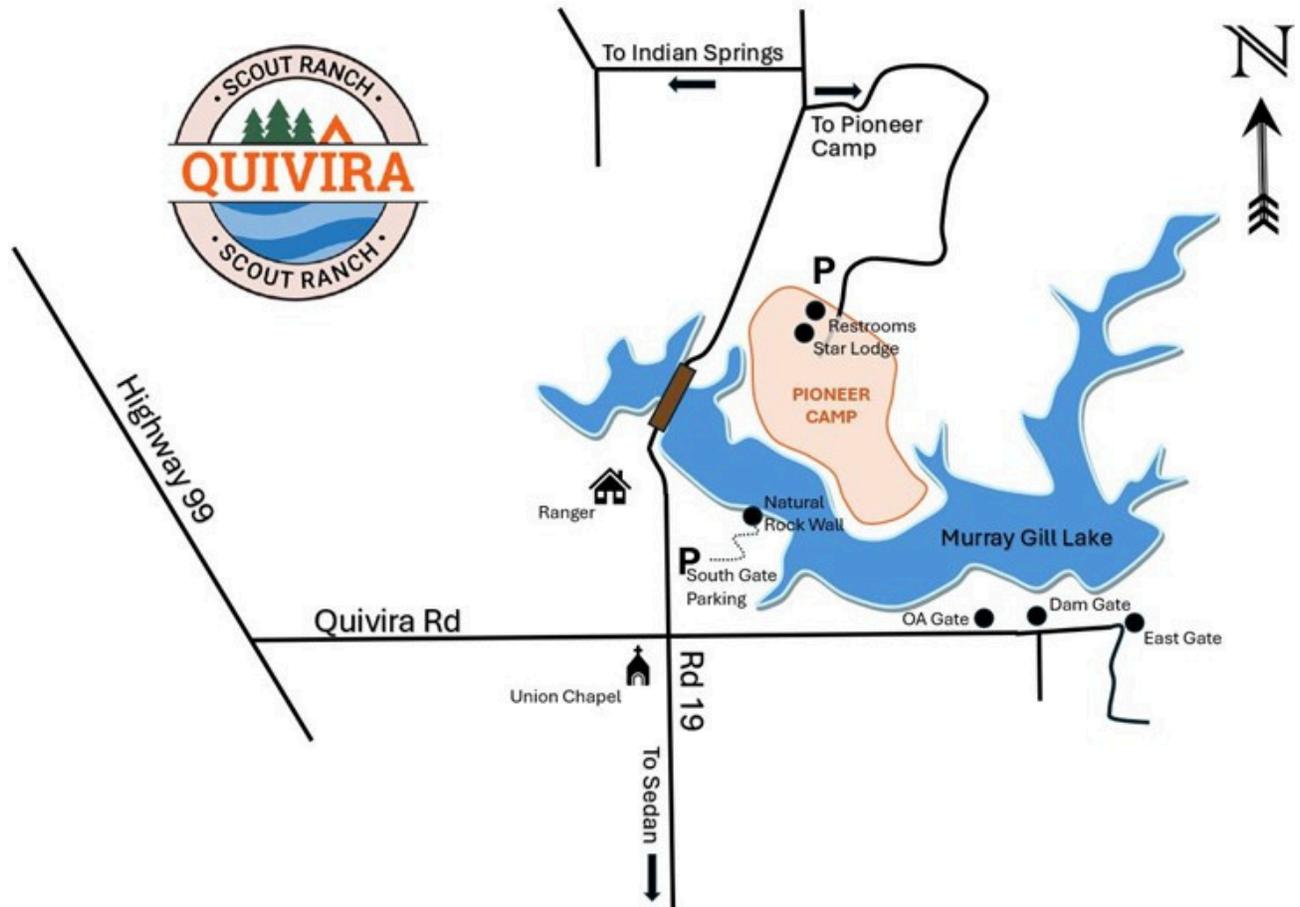

### HOW TO GET TO CAMP

Your check-in experience will go much smoother if you enter through the south entrance. Using your GPS navigation app, search for Quivira Scout Ranch, and it should get you to the bridge and close to the arrival parking area and check-in.

When on K-99, you will turn East on Quivira Road. You will travel approximately 2 miles to Road 19. There is a white church at the corner where you will turn North (left) onto Road 19, cross the bridge, traveling approximately 2 miles before reaching Pioneer Road at the white gates on the East (right) side of the road. From there you are about 1.5 miles away from the QSR Summer Camp parking area. All of these roads are graveled and can be very dusty. Please be careful to give adequate spacing between vehicles, use caution, and be aware that the large rolling hills make it difficult to see approaching vehicles. Enjoy the sights and abundance of wildlife as you drive safely into camp!

Once you arrive, you will be greeted by staff at the “warrior wall” (south side of the parking lot). They will give you directions to the administrative building for check-in, group photos, and lead you to your campsite.

## GETTING TO QSR

**PRO TIP: "USE YOUR MAPS APP TO NAVIGATE TO QUIVIRA BOY SCOUT CAMP, TURN LEFT AT THE CHURCH, CROSS THE BRIDGE, TAKE A RIGHT AT THE WHITE GATES AND ROLL INTO CAMP"**

## What to expect - BSA traditional resident camp

You will receive a final campsite assignment and travel to your campsite.

Along the way, Camp Staff will direct you for a group photo, campsite orientation, and directions to the waterfront to complete Swim Test as needed.

## CHAPTER FIVE: DEPARTING FROM CAMP

### CAMPSITE CHECK OUT

What happens in your Campsite:

You may bring in one vehicle at a time to your campsite starting at 7 AM (pick up the gate pass on your way through the warrior wall). After packing, police your area for trash and missing tent stakes. Once your campsite is better than you found it, proceed to the dumpster to dispose of your trash, and then to Star Lodge to check out with the camp administration. Remember to return the gate pass and the reflector pole when you check out.

### CHECK OUT AT THE ADMINISTRATION BUILDING

Once you arrive at Star Lodge, you will receive/review:

- Health forms (see Camp Medic)
- QSR Camp Patches and Tribal Coupthong beads
- Confirm your reservation for next summer, ask about discount Unit Deposit promotions!
- Receive your Camp Evaluation form QR Code
- Receive information about future Quivira Events

Drive safe...see you next year!

## ★ FREQUENTLY ASKED QUESTIONS

### WHAT IF A SCOUT CANNOT ATTEND WITH THE UNIT?

QSR operates a “Maverick Scout” program for Scouts that cannot attend with their unit or would like to go an additional week. QSR Summer Camp team will assist your youth to identify and join units that have the appropriate adult leadership. Email [askquivira@scouting.org](mailto:askquivira@scouting.org)

### HOW DO SCOUTS BECOME CAMP STAFF?

QSR offers a Counselor in Training (CIT) position requiring Scouts complete staff development training and then spend time living and working with experienced Camp Staff during the summer camp season. This allows them the chance to learn necessary skills, practice in a supervised setting, and have a lot of fun. During Staff development CITs will learn how to teach a merit badge, lead programs, and learn QSR traditions. To get started simply go to [www.quivira.org](http://www.quivira.org) and search Camp Staff to get started. Submit the application and you could be selected as a new CIT!

### WILL PROGRAM SCHEDULES CHANGE AFTER I REGISTER?

Many factors play into delivering excellent program to our youth during summer camp; including, registered participants, supply chain, and changing regulatory landscape among others. We will do our best to deliver the program illustrated in the schedules of this Unit Guide; however, it is possible that program features, provided as examples, will be modified to accommodate circumstances leading up to the 2026 summer camp season. There is no guarantee that program schedules will not change.
