Cub Scouts - Ages 5-10

Cub Scouting is a year-round program uniquely designed to meet the needs of young children and their parents. The program offers fun and challenging activities that promote character development and physical fitness.

Venturing - Ages 14-20 (or 13 and completed 8th Grade)

The purpose of Venturing is to provide experiences that will help young people mature and become responsible and caring adults. Young people in Venturing learn leadership skills and participate in challenging activities.

Scouts BSA - Ages 11-17

Scouting is an outdoor program designed to develop character, citizenship and fitness. With the Scout Oath and Law as a guide, Scouting helps young people develop into well-rounded adults. Earning Merit Badges provides opportunities for Scouts to discover a lifelong hobby or rewarding career.

Exploring - Ages 15-20 (or 14 and completed 8th Grade)

Exploring units, called posts, focus on a single career field, such as law enforcement, fire/rescue, medical or band and are sponsored by a local government or business entity.

Sea Scouts - Ages 13-21

Sea Scouts are a part of the Scout movement, with a particular emphasis on boating and other water-based activities on the sea, rivers or lakes (canoeing, rafting, scuba, sailboarding). Sea Scouts can provide a chance to sail, cruise on boats, learn navigation, learn how to work on engines and compete in regattas.

Order of the Arrow

As Scouting's National Honor Society, the purpose of the Order of the Arrow is to recognize those who best exemplify the Scout Oath and Law in their daily lives. That recognition inspires others to conduct themselves in a way that warrants similar recognition, promotes camping, responsible outdoor adventures and environmental stewardship.

Why Scouting?

For nearly 115 years, Scouting programs have instilled in youth the values found in the Scout Oath and Scout Law. Today, these values are just as relevant in helping youth grow to their full potential as they were in 1910. Scouting helps youth develop academic skills, self-confidence, ethics, leadership skills, and citizenship skills that influence their adult lives.

Scouting America provides youth with programs and activities that allow them to

- Try new things.
- Provide service to others.
- Build self-confidence.
- Reinforce ethical standards.

While various activities and youth groups teach basic skills and promote teamwork, Scouting goes beyond that and encourages youth to achieve a deeper appreciation for service to others in their community.

Scouting provides youth with a sense that they are important as individuals. It is communicated to them that those in the Scouting family care about what happens to them, regardless of whether a game is won or lost.

Finally, and perhaps most importantly, Scouting promotes activities that lead to personal responsibility and high self-esteem. As a result, when hard decisions have to be made, peer pressure can be resisted and the right choices can be made.

Mission Statement

The mission of Scouting America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

Vision Statement

Scouting America will prepare every eligible youth in America to become a responsible, participating citizen and leader who is guided by the Scout Oath and Law.

Everyone benefits from Popcorn!

The most successful units have a planned program with specific goals on where they want to go and how they are going to get there. Setting a goal for how much your unit needs to sell and how much your Scout needs to sell is how your unit will have the funds needed to support your program.

Make sure someone from you unit attends Roundtable in August for the latest popcorn information!

Popcorn is fun and exciting for your Scouts to sell!

The public loves Scouting and looks forward to buying popcorn. Two out of three potential customers will buy if asked by a Scout. Remember we are not selling popcorn, we are helping our Scouts fund adventures!

Scouts can earn much more than prizes!

There are very few activities in Scouting that demonstrate the benefits of planning, organization, teamwork and goal setting. Participating in the popcorn sale teaches Scouts all of these skills, plus marketing, salesmanship, public speaking, and learning how to pay their way! These important skills will serve these youth throughout their lifetimes.

A successful popcorn sale means better Unit programs!

- Registrations
- Summer Camps
- Camp Outs/Adventure Trips
- Advancements
- Blue and Gold Banquets/ Courts of Honor
- Other various expenses

A successful popcorn sale means a stronger Council and services!

- Training opportunities for adult leaders, so Scouts have the very best leadership.
- Helping to maintain Scout Camps for year-round camping and outdoor events.
- Providing "Campership" support for Scouts who need assistance to attend Summer Camp.
- Planning and conducting various Council-Wide activities and events.
- Providing service center and professional staff support for unit leaders, parents and Scouts.

Quivira Scout Ranch

1781 Road 19 • Sedan, KS 67361

Quivira Scout Ranch is home to Lake Murray Gill, the largest Scout lake in the country and the best waterfront program in the region! From sailing to swimming, canoeing to water skiing and jet skiing, QSR has it.

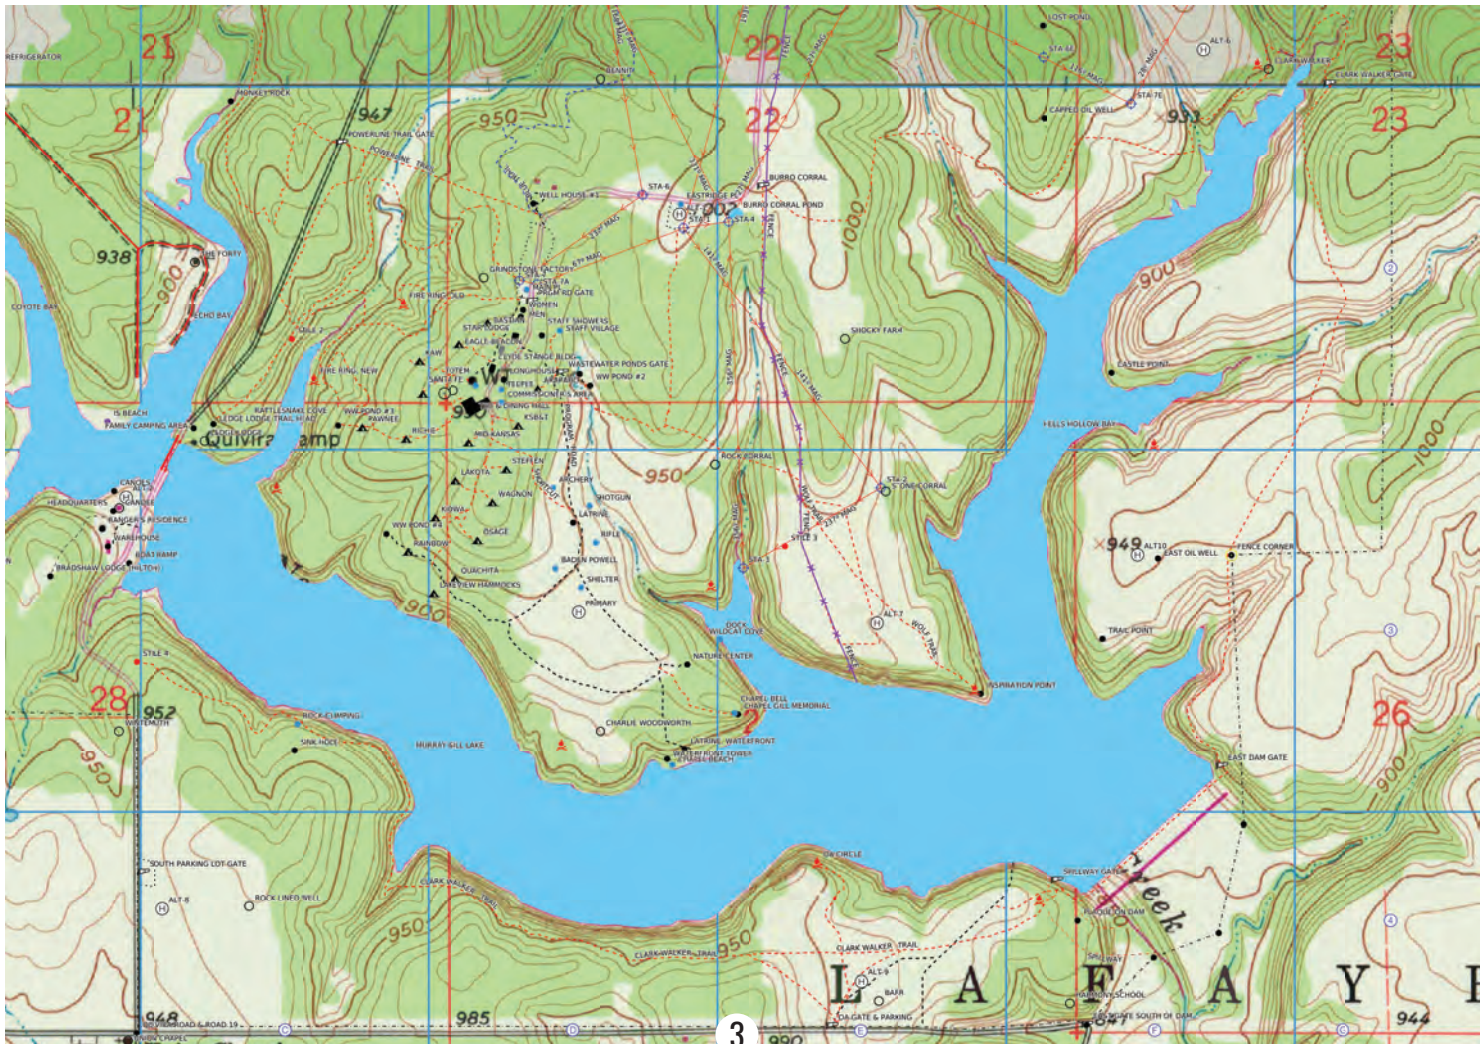

Rich in tradition, this rugged land had provided homesteads, farms and ranches for many pioneers. Now you'll find Scouts from seven or more states exploring, learning, canoeing, backpacking, shooting, swimming and more in the different seasons of the year.

QSR is located in a multi-state area known as Black Jack Territory. Characteristics of this land are its rocky cliffs, rolling hills and dense covering of black jack oak trees. Early cattle drives ran through the territory and the route was named the Black Jack Trail.

QSR's approximate 3,000 acres holds an outdoor adventure area in the Black Jack backcountry. With different trails and destinations to seek, many years of backpack camping are ahead of your unit.

Quivira Scout Ranch is available for special outings or events throughout the year. Church groups, youth organizations, school groups and Scouting units can rent the facilities for a day event, weekend sleep-over or a week-long event.
